

ACRONIS-POWERED. SOTERIA CLOUD DELIVERED.

Soteria Cloud Advanced Security + EDR

Endpoint protection and detection connected to recovery, not isolated from it.

Endpoint security

Managed protection

Zero Downtime. Zero Data Loss.

BUILT FOR

For teams that need modern malware protection, behavioral detection, and response capability without adding another disconnected console.

Security incidents become business incidents when detection, containment, and recovery are not connected.

Acronis Powered by Acronis

BUSINESS VALUE

Protection that moves the business forward.

Security incidents become business incidents when detection, containment, and recovery are not connected.

SOTERIA CLOUD OUTCOME

Endpoint protection and detection connected to recovery, not isolated from it. Soteria Cloud surrounds the technology with onboarding, policy design, reporting, and accountable support.

TECHNOLOGY

Acronis Advanced Security and EDR

BEST FIT

For teams that need modern malware protection, behavioral detection, and response capability without adding another disconnected console.

SERVICE CATEGORY

Endpoint security

01

Detect and respond to endpoint threats faster

02

Reduce ransomware impact through protection and recovery alignment

03

Give customers a clearer security service story

CAPABILITIES

One Soteria Cloud service around the critical work.

The service brings Acronis technology into a Soteria Cloud experience for buyers that need protection to be practical, visible, and supportable.

Core capabilities

- Anti-malware and exploit prevention
- Behavioral and ransomware protection
- Endpoint detection and response options
- Investigation and response workflows
- Policy management
- Security reporting

Where it fits

- Endpoint security modernization
- Ransomware risk reduction
- Managed security add-on for backup customers

Acronis-powered endpoint protection

Soteria Cloud operational support

Pairs naturally with backup and recovery

SERVICE EXPERIENCE

From first assessment to ongoing assurance.

Soteria Cloud turns the product capability into a managed protection experience with clear steps, ownership, and review points.

OFFER	Soteria Cloud Advanced Security + EDR
POWERED BY	Acronis Advanced Security and EDR
BUSINESS IMPACT	Reduce risk, improve resilience, and make protection easier to understand across technical and business stakeholders.
NEXT STEP	Start with a Soteria Cloud protection assessment for the environment, workloads, users, and recovery priorities.

SOTERIA CLOUD

All your data. One strategy. Zero compromise.

Cyber resilience works best when backup, security, recovery, and support are connected under one service experience.
