

INDIVIDUAL DEVICE PROTECTION

Soteria Cloud Personal Endpoint Protection

Personal-device backup and cyber protection for executives, remote workers, and high-value endpoints.

For organizations and individuals that need simple protection for Windows and Mac devices outside the standard managed estate.

Executive issue: High-value personal and executive devices often hold important data but are not always covered by business backup routines.

- 01 Protect personal productivity data**
- 02 Support Windows and Mac backup needs**
- 03 Create an easy add-on for remote and executive users**
