

ACRONIS-POWERED. SOTERIA CLOUD DELIVERED.

Soteria Cloud Secure File Services

Secure file collaboration for teams that need control, access, and continuity.

File sync, share, and access

Total Data Protection

Zero Downtime. Zero Data Loss.

PROTECTION OUTCOME

For organizations that need secure file access and sharing without losing governance over business data.

File sharing spreads data quickly. Without the right controls, productivity can become a visibility and compliance gap.

Acronis Powered by Acronis

File collaboration and SaaS data protection view

WHY IT MATTERS

Protection that connects technology to business resilience.

File sharing spreads data quickly. Without the right controls, productivity can become a visibility and compliance gap.

SOTERIA CLOUD OFFER

Secure file collaboration for teams that need control, access, and continuity. Delivered as a Soteria Cloud service with onboarding, policy design, reporting, and local support.

UNDERLYING TECHNOLOGY
