

ACRONIS-POWERED. SOTERIA CLOUD DELIVERED.

Soteria Cloud Personal Endpoint Protection

Personal-device backup and cyber protection for executives, remote workers, and high-value endpoints.

Individual device protection

Total Data Protection

Zero Downtime. Zero Data Loss.

PROTECTION OUTCOME

For organizations and individuals that need simple protection for Windows and Mac devices outside the standard managed estate.

High-value personal and executive devices often hold important data but are not always covered by business backup routines.
